

PHARMACY TECHNICIAN

Under the supervision of a pharmacist, pharmacy technicians review patient information; mix, measure, and label prescription medications. Demand for pharmacy technicians will rise 36% by 2010. Therefore, excellent job opportunities are expected for full-time and part-time pharmacy technicians. The following classes are necessary to complete the Pharmacy Technician Program at Wilbur Wright College:

Basic Math or testout
Medical Terminology or Biology 120
Communications for Health Care
CPR – Heartsaver
Pharmacy Tech, Part One *
Pharmacy Tech, Part Two *
Clinical

Length of program—2 terms
Tuition--\$1,172 plus books

* These classes are held at our Humboldt Park Vocational Center, 1645 N. California Ave., Chicago, IL
