

# Considering a Career as a Phlebotomist?

“Now this won’t hurt at all, but you may feel a pinch.”

**Are you a detail-oriented individual with a calm and patient demeanor?**

**Do you want to enter a career where your skills will be in high demand?**

**If so, Wright College wants you... to pursue a career as a phlebotomy technician.**

Phlebotomists are critical to ensuring proper patient care. Whether working in an outpatient laboratory, hospital, or providing home visits, proper patient care depends on quick and proper drawing and handling of blood and blood products.

Start your training at Wilbur Wright College today! Classes begin in January, May & September.

Wilbur Wright College  
4300 N. Narragansett  
Chicago, IL
