DUAL ENROLLMENT

The Dual Enrollment program allows motivated high school junior and senior students the opportunity to earn college credit, while attending high school. The credits you earn are transferable to many four-year colleges and universities.

Through a partnership with Chicago Public Schools (CPS) and City Colleges of Chicago, high school students are eligible to enroll in a number of college-level courses including Art, Biology, Business, Chemistry, Computer Science, Humanities, Mathematics, Psychology and Speech.

BENEFITS

• Earn credit for both high school and college. The college credit will be applied to a degree program at one of the City Colleges of Chicago or can be transferred to a four-year college.
• Get access to great college professors.
• Develop important time management and study skills.

REQUIREMENTS

• Participants should be a junior or senior in high school.
• There is a school recommendation required if you don’t meet both of the following requirements—a minimum GPA of 2.5 and a 90% high school attendance rate (CPS students only).
• Take the ACT and/or COMPASS Placement Exam. Check the CCC course catalogue for qualifying scores.
• Submit a signed parental permission form.

GETTING STARTED

Everything you need to register for the Dual Enrollment program is included in this course schedule—an academic calendar for the fall semester at City Colleges of Chicago, recommended City Colleges classes, and a dual enrollment checklist. Your first step is to meet with your high school advisor and tell them you want to enroll. Next, contact the dual enrollment representative at your nearest City College.

Notes:

1. The College Credit Academic Calendar is subject to change. Please contact the college for more details.

2. Sessions and course offerings: not all courses are offered each session, nor are all sessions offered at each college. Please contact the college for details.

3. Continuing Students: continuing students are strongly encouraged to complete the registration process as early as possible to ensure the best course and schedule availability. Please see your College Advisor prior to registering to discuss your career and education goals, academic program, graduation requirements and your progress toward graduation, course selection, and, if applicable, transfer.

4. New Students: all new students are strongly encouraged to complete the registration process as early as possible, preferably prior to end of Summer for fall entering students. The registration process for new students includes placement testing, college orientation, financial aid processing, career advising and academic program selection, and initial course selection. Please see the Admissions Office to begin.

5. Financial Aid: students are strongly urged to apply for financial aid (www.fafsa.gov) as early as possible (preferably by March 1st) for the academic year beginning in the fall. Please contact the financial aid office for details.

What is the COMPASS Placement Test?
COMPASS is a computerized test that is designed to evaluate a student’s knowledge and skills in reading, writing, and math. This test can be taken in sections and at separate times. The COMPASS e-write is the only section of the test that must be completed in an allotted amount of time.

Results of the COMPASS Placement Test help to determine how prepared a student is for college-level coursework. Depending on test results, students will be placed in college credit, developmental, and/or non-credit (pre-credit) classes.

Students are eligible to retest once within a 12 month period, for a nominal fee, after the original COMPASS test score(s) expire. Students can retest provided they have not already begun a sequence of courses for placement test subject areas. COMPASS test scores expire annually.

Prior to taking the COMPASS Placement Test:
- Apply for admission at www.ccc.edu
- Obtain a student ID number (provided within 48 hours after the online application is approved)
- Contact the Dual Enrollment representative at a City College to schedule an appointment

What to bring to the COMPASS Test:
- Valid Chicago high school ID, driver’s license or State ID card
- CCC Student ID number (provided within 48 hours after the online application is approved)
- Approved Calculator (visit act.org/compass/student/calculator.html for more info)
